TERM 4 WEEK 1

Tuesday 11 October 2016

PRINCIPAL'S MESSAGE

Welcome back to what no doubt will be a very busy term for us all. Term Four sees the end of the primary school years for our Year Six students as well as the beginning of their school journey for our 2017 Kindergarten students.

I know many of our students have been working hard collecting sponsorship for the P & C Walkathon to be held on Thursday 27th October. I would like to thank everyone for their support of the Walkathon.

Over the holidays we have had a number of trees removed from the playground. Four trees were removed from the back playground as well as four from the front.

At the end of last term K-6TC welcomed their newest class member – 'Lexi' Dever. 'Lexi' is a Smartpups Seizure Assistance Dog and will be spending each day in K-6TC. 'Lexi' is easily recognisable by her bright red working vest.

Ms Fisher will be returning to school next Monday, 17th October. She has spent the school holidays in Canada on her study tour. We look forward to her sharing her new ideas with us and learning of her experiences.

GREAT AUSSIE BUSH CAMP

On the last three days of Term Three, Stage 2 embarked on their journey to the Great Aussie Bush Camp near Tea Gardens. Excitement was in the air as children arrived at school on the Wednesday morning, packed and ready to go. The children enjoyed three days of activities that were fun, exciting and took them outside of their comfort zones. By doing this, it provided the children with opportunities to take risks, to support their school friends and create new or stronger friendships along the way. Please enjoy a few of the children's memories from our time away.

Stage 2 Teachers

I liked the giant swing, rock climbing, commando and the rest of camp. I especially liked when Mrs Borg went down the giant swing and she screamed a lot!

Tyla

I enjoyed the high ropes because of all the challenges. I was proud of myself that I kept going and faced my fears and completed the course!

Ben

I am most proud of myself when I played commando! I am never out in the dark, but I faced my fears and had a great time!

Jai

The giant swing was the best because when you get your harness on and jump up, the kids pull you up. When you pull the string it feels like you are in a plane!

Isabella T

I loved having my birthday on camp, it was great. Everyone shared my birthday cake for supper.

Sarah

My favourite thing was the sand dunes! It was fun because I kept sinking in the sand. When you rolled down it was great!

Jayden

Rock climbing was great. I set myself a goal and I did it! My goal was to get to the top.

Dusty

The damper we made on camp was yummy! It had maple syrup inside.
