Term 4 Week 7

Monday 15 November 2021

## PRINCIPAL'S MESSAGE

This week our Year 5 students will be presenting speeches outlining why they would make a great School Captain or House Captain. I look forward to these speeches each year as I like to hear what the students value about our school and what areas they would like to make a difference in. This year, due to COVID, we will be recording the speeches and playing them back in the classrooms for students to listen to prior to making their vote. The outcome of the elections will be announced at Presentation Day. Good luck to all our candidates!

## PARENT SURVEY – PARTNERS IN LEARNING

Every year our school conducts student, staff and parent surveys through the Learning Bar's Tell Them From Me (TTFM) platform. Our Parent surveys are used to guide decision making for school planning. It is important every family responds to the survey so we can gather a more in depth understanding on where we are, where we need to be and how we will get there. This year's questions include aspects of learning from home, and how our school has managed this process.

We would very much appreciate if parents could access the following link and complete the survey.

## ORGANISATION FOR PRESENTATION DAY 2021

The structure of Presentation Day for 2021 has been altered to keep in line with guidelines the Department of Education has set around COVID.

We are still able to go ahead with a Presentation Day, this will be on Friday 3 December. Special guests or parents and community members **are unable to attend** our Presentation Day celebrations for 2021.

Students will come to the hall in stage groups, Kindergarten, Years 1 & 2, Years 3 & 4 and Years 5 & 6. As in previous years, all students will receive a success certificate during this part of the ceremony. A Library Award and an Academic Persistence Award for students in K-2 will also be given for each class as well as an Academic Achievement Award for each class in 3-6.

Each ceremony will be recorded and a link uploaded to Facebook for parents to view.

Our Special Academic Awards and the announcement of our 2022 School Leaders will also take place. Parents of successful School Leaders for 2022 and Special Award winners will be invited to connect via Zoom to see this section of our Presentation Day. Parents will receive a letter in the mail with instructions if your child falls into one of these categories.

It is important that we continue to celebrate the success of all our students in 2021 and we see this is the best way we can facilitate this within the guidelines that have been put into place.

Thank you for your understanding.

 Presentation Day Co-ordinator

## IMPORTANT INFORMATION REGARDING THE USE OF PERSONAL DIGITAL DEVICES AT SCHOOL

In line with departmental policy to ensure a safe and secure environment for students in primary schools, access to or usage of non-school related digital devices, such as mobile phones, during school hours is not permitted. We understand there may be circumstances where you require your child to have a device for travelling to and from school. In these instances, we ask that your child switches off their device and hands it into the front office on arrival at school and collect it at home time. Parents will be contacted if these protocols are not adhered to. Please do not hesitate to contact the school if you have any questions.

## BUS AWARENESS

Osborn's Transport would like to remind parents, carers and students about the importance of Bus Safety and Being Bus Aware.

Well done to the students who achieved 100% in their quizzes in week 6.
